## **Fire Protection Solutions** for Homes

Rapid response during a fire can make all the difference in saving lives and property. Vector Security<sup>®</sup> helps save you precious seconds with reliable smoke detectors from the best security equipment manufacturers in the industry. Our security experts work with you to map out placement of each smoke detector inside your home to optimize your fire protection.

Should a fire occur, the system sounds an audible alarm so you can evacuate quickly. And unlike "local" alarms that stop there, our alarms send an emergency signal to our Monitoring Center where operators are available 24/7 to dispatch help to your home, even when you are not there.

# Let us custom design a fire protected plan for your home and

### How our fire alarms protect you:

- 1. An audible alarm sounds at the first sign of smoke or fire so you can evacuate quickly.
- 2. A signal is sent to our Monitoring Center, where operators are available 24/7.
- 3. The operator verifies the alarm and contacts your local fire department within moments.

# know that you, your family and belongings are safe.
