### **National Accounts Growth Continues at Vector Security**

*Two National Account Managers added to Support the Company's Business Development Goals*

PITTSBURGH, PA, June 18, 2013 – Lynn Kresse and Jay Montgomery join Vector Security effective immediately to support the continued growth in our National Accounts division. Vector Security experienced one of its best years servicing National Account retailers in 2012, and this focus on new business development support the company's objective to be the preferred national account provider of intelligent security solutions.

Lynn brings more than 15 years of national account experience to Vector Security. She comes to Vector Security from Diebold Inc., where she was a business solutions manager responsible for developing that company's customer base. Prior to that, she held account management positions with Protection One and Morse Communications. Lynn has a wealth of knowledge in video, burglar alarm, fire, access control, Voice over IP, IP networking, telephony and wireless local area networking. Prior to joining the security industry, Lynn was a police officer for nine years with the Milwaukee Police Department. She holds a bachelor's degree in Criminal Justice Administration from Mt. Senario College.

Jay has over 18 years of sales experience in the security and telecommunications industries. He comes to Vector Security from NuTech National providing solutions such as video surveillance, data analytics, electronic article surveillance tagging, access control, alarm and Central Station monitoring to Fortune 1000 companies. Prior to this role, Jay was Sales Manager for DTT Surveillance where he developed surveillance system solutions, POS integration and loss prevention services to the hospitality industry. He holds a Bachelor of Science in Education University of Maryland, College Park.

"We are proud to have Lynn and Jay on our National Accounts team as we continue to grow our service offerings to retailers," said Michael Grady, Executive Vice President of Vector Security. "We continue to focus our growth strategy across the United States and Canada and look forward to these talented individuals providing the solutions our customers want and expect from a leading security provider."

#### **About Vector Security**

For more than 40 years, Vector Security, Inc. ([www.vectorsecurity.com](http://www.vectorsecurity.com)) has been a premier provider of intelligent security solutions tailored to the needs of the customer. Headquartered in Pittsburgh, the company offers a full suite of electronic security services for residential, business and national account customers across North America and the Caribbean through a network of branches and authorized dealers. Vector Security is a sister company of the Philadelphia Contributionship, a private insurance company founded in 1752, and currently provides cost-effective, technology-based security solutions to more than 270,000 homes and businesses.
